What To Do This Summer? Be a Summer Intern at TAP!— The Transition Assistance

Program (TAP), an outreach mission of the Chevy Chase Presbyterian Church, provides direct services to working and unemployed, often homeless, individuals who come to the church for assistance. The program is looking for summer interns entering grade 10 and up, who would like to volunteer up to three mornings a week at the church over the summer. Duties involve greeting clients, registering clients, serving sandwiches and juice, answering the phone, writing checks and other office duties as directed by TAP's experienced volunteers and paid staff. This also qualifies as community service commitment hours required by some schools. TAP is open Tuesday, Wednesday, and Friday from 9:00 to 11:30 a.m. For more information, please contact Sue De La Torre at 301-589-0397 or sdelator2@msn.com.

Earth Stewards Tip

Most of mankind are experts at denying the validity of scary information, for example, that there is little time left to reverse global warming. For the sake of our grandchildren we must heed these warnings. We as individuals, as corporations and as governments must do all we can to heal this endangered planet.
