Application

Requested date of wedding: _____ Time: _____

Would you like a particular pastor to officiate? If so, who? _____

Greetings!

We welcome your application to celebrate your marriage at our church. With this application form you have received a booklet which provides information about wedding procedures, policies, fees, and services. It should answer most of your questions, but please do not hesitate to contact our church office if you need additional information.

This application has two parts. Part I is basic information which is necessary for church records and helpful to those who will be working with you in preparation for your wedding. Please complete Part I fully and return it to the church office as soon as possible. If neither the bride nor groom are active members of this congregation, a non-refundable deposit of two hundred fifty dollars (\$250) must be included with the application. Upon receipt of the Part I of the application, the date and time of your wedding will be tentatively scheduled and the sanctuary or chapel reserved for your use. Only after your first premarital conversation with the officiating pastor will the sanctuary or chapel be permanently reserved for your wedding.

Part II of the application form deals with specific information about your wedding service. The officiating pastor and the minister of music will work with you on the details of the service. Part II need not be completed until after the premarital conversations have begun.

Many blessings as you prepare for this sacred event!

By our signatures, we acknowledge receipt of the booklet, "The Service of Christian Marriage," and agree to abide by the policies set forth therein.
